Testimonials

“ I have seen André organize and set-up dozens of corporate events (from 20 to 500 people) and everyone went off perfectly. He has a knack for making even the most uninviting venues look exquisite, for getting the most complex technology to work when you need it and for ensuring that every detail is attended to. For private parties, having André with you to plan and execute will guarantee that the location is perfect, nothing is forgotten and you look like a genius for having hired him! ”

Shereen

“They came in to help me with my outdoor wedding. They were very professional, thoughtful and very helpful. Had plenty of ideas but also listened to my own and ran with them. They were reasonably priced to boot. I honestly could not have done it without them. Thanks Black Swan Events! ”

Coronation Street

Airing in Canada since the 1980's Coronation Street has attracted a legion of hardcore fans whose loyalty and devotion might seem strange to those who don't watch the program. As a super "Corrie Fan" I want to meet others who love the longest running British Soap.
